Honorable W. St. John Garwood

Dear St. John:

I apologize for the delay in answering your good letter of April 30. I sincerely appreciate what you have to say about Foster. Unfortunately, there has for some days been no hope of recovery and the end is not far off now.

Despite the fact that I majored in Philosophy in Princeton, I have not opened a philosophical book since, or at least not in recent years, and I would feel it presumptive of me to attempt to address a philosophical society. I am not at all sure that my present work fits me for the task. Above and beyond that, I have had to put the brakes on my trips away from here, attractive as the prospect is in this case. I do very little speaking except to Service schools and the like, and occasionally here and there for meetings that seem to fit in with my general work. As a result, I really feel I must decline your kind invitation, but I hope that some other excuse will bring me to Texas so that we can get together.

When you see Will Clayton, give him my affectionate regards. I am sorry to hear that she is so ill.

Sincerely,

AWD:at
